VALUABLE WORKS!

THE undersigned proposes to commence the publication of a series of distinct volumes each embracing the speeches and writings of some public man of he country, whose political position and standing may make his opinions upon public measures of sufficient weight to justify their appearance in such a form.

In this ways political library will be constructed which, on account of its convenience and the reliability of its contents, cannot fail to command the patronage of every citizen anxious to be possessed of the best speeches and writings of the public men of his own country.

With this view we have engaged the services of an eminent political writer and compiler, in Washington eity, to edit the proposed political enterprise. The first of this series of books will appear on the 10th of March, 1859, and will embrace the speeches, letters and messages of Athert G. Brown,

A former Governor of Missisppi, ck-Member of the U. S. House of Representatives, and at present a Senatore the U. S. from that State. This book will appear in octave form and will centain about six hundred pages.

Correspondents enclosing \$3 will receive a copy of the wark post-paid. Liberal allewances made to the Trade and Agenta. Due notice of the appearance of the next volume of the series will be given.
